SeaWorld Orlando Sensory Guide

A SPECIAL THANK YOU TO THE INTERNATIONAL BOARD OF CREDENTIALING AND CONTINUING EDUCATION STANDARDS (IBCCES) FOR DEVELOPING THIS SENSORY GUIDE FOR SEAWORLD ORLANDO.

For almost 20 years, IBCCES has been the industry leader in autism training for licensed healthcare professionals and educators around the globe. IBCCES recognized that many families with children who have special needs have limited travel options, and in response, created training and certification programs specifically for the hospitality and travel industry. The assessors believe the information contained within this assessment report to be correct at the time of printing.

The assessors do not accept responsibility for any consequences arising from the use of the information herein. The report is based on matters which were observed or came to the attention of the assessors during the day of the assessment and should not be relied upon as an exhaustive record of all possible risks or hazards that may exist or potential improvements that can be made.

RIDE ACCESSIBILITY PROGRAM

Our Ride Accessibility Program (RAP) is designed to allow guests to fully participate and enjoy our parks while keeping in mind the safety requirements of our rides and attractions. The program was developed based on the requirements of the manufacturer and by evaluating the physical and mental attributes required to safely ride each ride and participate in our other attractions. It is our policy to allow anyone to ride our rides and enjoy our attractions so long as they meet all of these requirements and such that it does not present a potential hazard to the guests or others.

Special Access is designed to allow our guests to enjoy our attractions without waiting in line if the guest is not able to do so as a result of his/her disability. Special access is only available for rides listed, and is not available for shows, parades, gift shop check-out, or restaurant lines. Guests will be placed in a Virtual Queue which equals the estimated wait time at that respective location. Guests have the ability to enjoy other attractions throughout the park during this time and then proceed to the specific attraction at the estimated time.

The following procedures will be of assistance when utilizing our Ride Accessibility Program throughout the park:

1. Please enroll in our Ride Accessibility Program at the Information and Reservation Counter/Guest Services where you will receive a list of the rides and attractions and the requirements for riding and enjoying each. Once you have enrolled in the RAP, you will be able to utilize our Special Access program.
2. Proceed to the ride entrance of the respective attraction with your RAP sheet and request a boarding time from the entrance team member. These attractions include Antarctica: Empire of the Penguin®, Manta®, Mako® Kraken®, Journey to Atlantis®, Turtle Trek®, Sky Tower, Super Grover's Box Car Derby®, and Wild Arctic®. If the entrance is not staffed, you may proceed to the ride exit to request a boarding time. The time provided on your RAP sheet will be based on the current estimated wait time.
3. We suggest you take a moment to enjoy our other attractions throughout the park while you wait in the virtual queue system.
4. For our smaller attractions we ask that you proceed to the ride exit/entrance (marked with disabled access sign) and inform the team member that you wish to ride. You may be asked to wait 1-2 ride cycles prior to boarding.
5. Only the number of guests listed on the RAP sheet (Guest utilizing RAP and a maximum of 5 additional) are able to board with the guest needing special access. Other party members will be required to use the ride entrance.

Please note: The guest with the disability must ride in order for their party to take part in our Ride Accessibility Program.

FOOD POLICY

SeaWorld Orlando has clear limitations on what types of food/beverage purchased outside are allowed to be brought in to the park. Coolers are not allowed inside the park.

A picnic area is located at the front of the Bus and Taxi drop off and pick up location. This area is to the left of the SeaWorld Orlando Main Entrance. Guests may re-enter that area as often as they would like during an operating day. The following food and beverage items are not permitted:

- Picnic lunches or other family portion servings (such as large bags of chips greater than 3.5 oz, sandwiches, hot dogs, slices of pizza, subs, fried chicken, etc)
- Any outside beverages except bottled water (this includes teas, sodas, alcohol, etc in any size containers)
- Glass containers of any kind are not permitted

Guests may bring:

- Snacks in individual serving sizes (cracker packs, bags of chips, fruit snacks, etc. that are under 3.5 oz)
- Bottled water
- Baby food in plastic containers

For the safety of our animals, plastic straws, balloons, and cup lids are not permitted inside SeaWorld.
