SEAWORLD IS ONE OF THE LARGEST MARINE RESCUE ORGANIZATIONS IN THE WORLD!

SeaWorld's legacy of animal rescue spans more than 50 years. In that time, SeaWorld's Rescue Teams have come to the aid of more than 40,000 sick, injured and orphaned animals in need, giving them a second chance at life.

None of this would be possible without the continued support of our partner agencies, park guests, Pass Members, and dedicated team members, as well as the people across the globe taking action to protect these amazing animals and their habitats.

Our teams are on call 24/7/365, partnering with multiple government agencies to rescue and help animals in need of our care.

Your visit to SeaWorld helps support animal rescue efforts, with over 40,000 and counting.

SPLASH INTO ACTION AT RESCUE JR.!

It's time to hop on your snowmobile and ride to the rescue! Join the team and feel the rush of the fastest and longest (2,800 ft. of track!) straddle coaster on the West Coast: Arctic Rescue. It's only at SeaWorld San Diego, your go-to spot for family-friendly rides.
