Howl-O-Scream Is Bigger Than Ever

When the sun goes down, fear takes over as Howl-O-Scream returns on select nights now through Oct. 31 with the largest event in park history.

Recognized as one of the Top Theme Park Halloween Events by USA TODAY's 10Best Readers' Choice Awards, the separately ticketed event delivers a terrifying lineup of haunted houses, scare zones, live shows and themed nightlife experiences intended for mature audiences.

Five Terrifying Haunted Houses

Fear begins the moment guests step beyond the gates, with five terrifying, haunted houses—including four all-new nightmares—waiting in the darkness.

- **NEW:** Headlining this year's lineup is **"I Know What You Did Last Summer: The Final Catch,"** SeaWorld Orlando's first-ever movie-inspired haunted house. Based on the iconic horror film, the house plunges guests into horrifying scenes from the movie as the Fisherman stalks their every move.
- **NEW:** Technology becomes the ultimate predator inside **"Dark Net."** Amid a global energy crisis, cyborgs have turned to vampirism to survive in the seedy underbelly of a futuristic city, catching humans in the crossfire between machine and monster.
- **NEW:** The ordinary becomes terrifying inside **"Everything Must Stay."** One suburban home has remained unsold as every open house ends with terrified buyers fleeing unexplained horrors. Now, the unseen residents are ready to reveal themselves.
- The party never dies inside **"Raveyard."** What began as the ultimate underground rave has become an eternal celebration for the undead, where pounding music echoes through the darkness.
- **NEW:** Curiosity leads guests beneath the city in **"Crawlspace,"** where a sealed-off sewer system conceals evidence of a failed containment effort and something below continues to grow larger and hungrier.

Six Immersive Scare Zones

The horror does not end when guests leave the haunted houses. Terror spills into the streets as six immersive scare zones transform the park into worlds overrun by decay, infestation and chaos.

- **NEW:** **"Nekrosis"** is where the biggest party of the '90s came to a horrifying end, leaving a seaside town forever changed by an infectious mystery.
- **NEW:** Love takes a toxic turn inside **"Just One More Chapter,"** an enchanting garden where cursed lovers and dangerous obsessions blur the line between passion and possession.
- Returning fan-favorite **"Woodrot Hollow"** invites guests into a forest consumed by decay, where twisted trees and ancient woodland creatures have reclaimed the wilderness.
- Returning fan-favorite **"Trailer Park Tragedy"** delivers its signature blend of horror and dark humor in a rundown neighborhood whose suspicious residents fiercely defend their turf.
- **NEW:** Civilization crumbles inside **"Dooms District,"** where conspiracy theorists, survivalists and doomsday preppers compete for recruits as the apocalypse arrives.

- **NEW:** The infestation reaches its breaking point inside **“Extermination Order,”** as exterminators wage an all-out battle against swarms that have already spiraled beyond control.

Five All-New Themed Bars and Frightfully Delicious Food

No night of terror is complete without raising a glass to the darkness. Five immersive themed bars extend the event’s original stories through atmosphere, entertainment and specialty drinks.

- **“The Rewind”** turns VHS tapes, dial-up internet and ’90s nostalgia into a killer throwback party featuring undead boy band Dead Air.
- **“Byte Bar”** brings the cyberpunk world of “Dark Net” to life in a neon-soaked hideaway where machines have developed a thirst for more than electricity.
- **“Resurrection Club”** keeps the music going in an electrifying afterlife celebration where guests can dance alongside the undead.
- **“The Black Sheep”** gives doomsday preppers a place to gather over themed cocktails and swap survival strategies.
- **“Larva Lounge”** serves creepy-crawly concoctions inspired by the infestation spreading throughout the park.

An expanded lineup of event-exclusive food and specialty cocktails carries Howl-O-Scream’s original stories into every bite and sip.

Electrifying Live Shows Return to the Night

The screams continue long after guests leave the haunted houses.

- **“Monster Stomp”** blends heart-pounding percussion, rock music and unforgettable monsters into one of Howl-O-Scream’s signature nighttime traditions.
- **“Throttle”** brings high-octane action, breathtaking stunts and explosive energy to the stage, with an all-new sequence for 2026.
