ADVENTURES

Dolphin Lagoon

The highlight of a visit to Discovery Cove is the opportunity to swim with an Atlantic bottlenose dolphin during an interactive lagoon adventure. Accompanied by a zoological professional, individual groups become acquainted with their dolphin through a variety of animal training demonstrations and hands-on interactions. Then guests enjoy a memorable glide alongside one of these magnificent animals. A Discovery Cove photographer is on-hand to capture this special moment. Guests must be at least 6 years old for the Signature Dolphin Swim Experience.

The Grand Reef®

The Grand Reef features multiple levels of exploration, from shallow waters to deeper swimming adventures, from white sandy beaches to snorkeling among tropical fish, rays, and canyons inspired by reefs from around the world. Guests can discover a below-the-surface world teeming with sea life, or they can snorkel in deeper waters as thousands of exotic fish and graceful rays swim around them. Families can explore along the water's edge or cross a bridge to see sharks swimming below.

Freshwater Oasis®

Freshwater Oasis features wading adventures and face-to-face encounters with playful otters and curious marmoset monkeys. Designed with a rainforest canopy above and sparkling clear springs below, guests can relax, explore and find endless discoveries.

Explorer's Aviary

This free-flight aviary is home to more than 250 exotic birds. Guests can hand-feed hundreds of birds and interact with birds as tall as four feet. Guests enter the aviary's lush, tropical environment by way of the park's beaches or drifting under the refreshing waterfalls in the Wind-Away River.

Wind-Away River

This waterway meanders through the park, encountering beaches, palm-covered walkways and rocky lagoons. Guests swimming through Wind-Away River travel through different environments: a sunny island beach, a dense tropical forest and an underwater cave. Swimmers going under a waterfall will emerge inside the immense free-flight aviary. Flotation devices are provided as the river varies in depth.

Serenity Bay Beaches and Pools

Slip into the refreshing 85-degree temperature of Discovery Cove's immense and immaculate Serenity Bay. Crystal-clear water and enticing waterfalls welcome you. Sugar-white beaches are lined with swaying palms, tropical foliage and quaint thatched huts. Guests can claim their own spot among the tall shady umbrellas, sunning lounges and beach chairs.

Fantastic Fare

Included with admission, guests at Discovery Cove can enjoy unlimited access to a fantastic selection of food and drinks all day long. A freshly prepared breakfast is served at Laguna Grill from opening to 10:30 a.m., followed by lunch from 11 a.m. to 3 p.m. From familiar fare to chef specials, all dishes are prepared with fresh ingredients and incorporate healthy elements, with daily seafood selections, salad options, and vegetarian dishes available.

Marketplaces throughout the park provide all-day service and offer everything from yogurt and soft pretzels to fruit smoothies and gourmet coffees. Ice-cold beverages, including bottled water, soft drinks, and beer and wine (for guests who are 21 years of age and older) are included in the admission price.
