## Policies and Guidelines To Assure a Successful Performance and Pleasant Experience

**TIME OF ARRIVAL:** Your scheduled arrival will be approximately 30 minutes before your set performance time. Please don't be late as this may interfere with your performance time. If for any reason your group is unable to meet the expected time, your performance could be cancelled.

**UNIFORM:** A clean, sharp wardrobe and well-groomed appearance speaks for your group as well as your music. Chewing gum and food are not permitted during performance. Your stay at SeaWorld constitutes a representation of your school, community and city, both in and out of uniform. Please keep our warm days in mind when uniforms are chosen. Wool uniforms can become very uncomfortable in the sun.

**FACILITIES:** There is not a facility available for you to dress or warm-up. Please come prepared to perform as you exit the bus.

**MUSIC:** Please keep in mind that SeaWorld is a theme park. Our audiences come to see shows and be entertained. Remember, you are not performing at SeaWorld to be judged, but to entertain, so have fun with your performance!

**AUXILIARY UNITS:** Flags may not be twirled or thrown in any area of the performance venue. (Lightweight batons are acceptable but may not leave the hand at any time). The performance area is very close to our guests so we have to place restrictions on auxiliary units performing. The safety of our guests must be our first consideration.

**PARKING:** The group will park in the bus parking area.

**PERFORMANCE AREA:** Performance times vary starting at 9:30AM.

Marching band may march from the Bus Parking area to the area of performance. Once at the performance area, stationary performances are required.

Performance area is cement; therefore we ask that performers with dance troupes please use discretion in your routine choices.

We cannot provide groups with music stands, chairs, risers, or any sound or audio-visual needs. **Groups must be self-contained.**

**SCHEDULE:** Upon arrival group must check in at Guest Services and drop off waivers and proceed to bag check at the Main Arches.

Approximately 5-10 minutes before your performance your group will be escorted near the SeaWorld Wave icon where your performance will take place. Once your group is in full view of our park guests it will be expected and greatly appreciated that everyone act as professional as possible.

After your group's performance, everyone must quickly and professionally exit back to the bus where your group will be able to change out of their attire and prepare to enjoy the rest of their day at SeaWorld San Antonio.

Once your application has been processed you will be notified with your arrival time and point of contact information. Admission tickets must be purchased in advance.

We are pleased that you are interested in performing at SeaWorld San Antonio and, again, we will do everything possible to make sure this is truly a fun and exciting addition to your trip.
