AQUATICA SET TO OPEN FOR 2020 SEASON ON MAY 23

CHULA VISTA, CALIFORNIA (Jan. 29, 2020) -- **Aquatica SeaWorld's Waterpark** returns for its eighth season in 2020, with a combination of high-speed thrills and a relaxing beachside resort atmosphere and lush landscape. From serene to extreme, experiences range from lounging on sandy beaches or luxuriating in a private, reserved cabana, to splashing and playing in heated pools, to journeying down high-speed water slides. All this takes place amongst a lushly landscaped, South Seas-themed, resort-style environment. Located in Chula Vista, California, Aquatica will be open for the season 2020 season May 23 through Sept. 7. For a limited time, guests can purchase an **Aquatica Splash Pass**, which includes repeat admission all summer long, for just \$48.99.

Aquatica has something for everyone, including heated pools and attractions such as Big Surf Shores, one of the largest wave pools in Southern California with more than 500,000 gallons of water and a white sandy beach that allows visitors to relax on lawn chairs or luxuriate in nearby cabanas; and Loggerhead Lane: a winding 1,250-foot long lazy river. Thrilling rides and slides include Tassie's Twister, a water slide that sends multi-person rafts through thousands of gallons of swirling water before dropping into a six-story funnel; and Taumata Racer, a high-speed racing water slide that zooms riders on six side-by-side lanes down a 375-foot slide, around a 180-degree swooping turn, and in and out of tunnels before racing them across a finish line. Fresh California flavors, craft beer and refreshing Italian ice are among the culinary and beverage options, and guests can also choose to upgrade their Aquatica experience by reserving a cabana for the day.

Aquatica is located at 2052 Entertainment Circle in Chula Vista.
