SEAWORLD SLEEPOVER

PARENT/CHAPERONE INFORMATION

ARRIVAL: 5:15 p.m. (check-in begins at 5:45 PM)– **Adventure Camp facility – This may be a newer entrance if your group has not attended since 2020, see map on next page for directions**. Please arrive on time, entrance doors will close as soon as check-in is completed, and it may take a longer time to reunite late arrivals with their group after 6:00 PM. If unexpected delays arise the night of your sleepover, please call (619) 666-2841 by 5:30 p.m. to make arrangements with our staff. **Full payment will be due immediately following our check-in procedures.**

**All sleepover participants will be entering and exiting through the Adventure Camp facility during the sleepover program*. There is no re-entry at this building once participants have exited and after the program has concluded. For re-entry during the day, groups must exit at the Exit Plaza (at the Main Entrance) and get their hand stamped, then re-enter through the Main Entrance, presenting/wearing their yellow camp shirt.

MEALS: Pre-planned dinner and breakfast are included in the sleepover package. Please notify our team of any dietary restrictions when you send your final rosters.

LUGGAGE: SeaWorld Security may search bags prior to entry. Please plan to store luggage in your vehicle at 8:15 a.m. the day after your Sleepover event. Luggage will be stored in locked bins after check-in and transported to your sleeping venue overnight. We encourage campers to label their luggage and sleeping gear so that it is not mistaken by another participant in the late evening.

BEDTIME: Dependent upon park hours and activities. Your group's bedtime may be as late as 12:00 a.m. in the summer (10 PM closes) and is frequently between 10:00 PM and 11:00 PM.

SAFETY: Shirts and shoes are required at all times before bedtime. Sleepovers are a fully supervised event and members of the SeaWorld Sleepover Team will remain with the group throughout the event. Please be aware that there is a lot of walking involved in this event. Adults and children are required to stay with their groups for the duration of their program. SeaWorld Security and Medical Services are on-duty 24 hours a day.

ALCOHOL: No outside alcohol is permitted on SeaWorld property, **including the SeaWorld parking lot**. No alcohol consumption is permitted during the sleepover program; please refer to the Code of Conduct in your confirmation packet after booking. Chaperones should be prepared to perform chaperone duties in a responsible fashion. Chaperones or campers found to be under the influence of alcohol can be dismissed at the discretion of the program manager without refund.

DISMISSAL: When SeaWorld opens the following day, participants will be released to enjoy the day in the park on their own. Our staff will not have contact with the group after dismissal. To return to your vehicles, exit through the main exit of the park. After passing the Security checkpoint, turn right and follow the sidewalk, which will wrap around the Adventure Camp facility and lead to your parking lot.

PARENTS & CHAPERONES: Due to the nature of our program and the age of the participants that we have attending, SeaWorld staff members are unable to give out specific information pertaining to your sleepover. This includes, but is not limited to, cancellations, substitutions, and persons attending the sleepover. We will be able to provide you with general information that will cover any sleepover occurring at our park. We do ask that if you have specific questions that you go through your group leader.
